

(Distribute to parents of all students needing transportation)

Dear Parent,

According to Pennsylvania Law, non-public school children are entitled to transportation to non-public schools as follows:

1. A district which provides transportation for resident public school students must also make identical provisions for the transportation of resident non-public school students.
2. Transportation for non-public school students must be provided to and from the non-public school in which the student is enrolled, even if the non-public school is located outside the district so long as the distance is not more than 10 miles beyond the district boundaries. (Note: This distance may be in excess of 10 miles from the student's home.)
3. A district may transport children who live along hazardous routes even though the children live within walking distance of the school.

If you think you are eligible for transportation and desire it for next term, please complete the Request Form below and return it to school immediately.
