

7th Grade

HOMEWORK FOR WEEK OF APRIL 5TH

Tuesday, April 6th - Study notes. Make sure you have a metric ruler and a calculator with you every day for the next 2 weeks. I will charge you 5 points a day to loan each one from me.

Wednesday, April 7th - Study terms discussed in notes today. Explain how adhesion and cohesion are part of capillary action.

Thursday, April 8th - Label and measure the fronts on the chromatogram worksheet.

Friday, April 9th - Calculate the rate of flow for each color front on the worksheet.
Study notes.
