

STM Family Service Hours Signup for 2023-2024

PARENT VOLUNTEER PROGRAM: A vital contribution to limiting the cost of education is the Parent Volunteer Program.

Parents of all students are required to participate in an extensive volunteer program, affording you the opportunity to become an integral part of the operations of the school. Your generous participation throughout the year substantially reduces the cost of education at St. Thomas More School!

Thank you to all our families who donate their time and talents to our school. We truly could not do what we do without your help. Your time is valuable, and we appreciate your generosity.

Please complete ONE form for EACH family member volunteering so we can properly assign tasks.
