

Incoming Eighth Grade Summer Reading List

Students entering 8th Grade are required to read two books before the start of the 2023-2024 school year. There will be projects assigned based on the books in September. It is recommended that students take notes while reading. Sticky notes are always a good idea.

All eighth grade students are required to read ***I Will Always Write Back*** by Caitlin Alifirenka and Martin Ganda and ***Woods Runner*** by Gary Paulsen

Optional Books:
